the Terminal Operator and the Terminal User are herein jointly referred to as the “**Parties**” and each separately as a “**Party**”.

1. BACKGROUND

- A. The Terminal Operator operates, based on a time charter and regasification agreement, the floating LNG storage and regasification unit vessel Exemplar (the “**Terminal**”).
- B. The Terminal User wishes to use the Terminal. The Terminal Operator may under certain circumstances and subject to certain terms and conditions, including the terms of this Terminal Service Contract, the Terminal Rules, the General Terms and Conditions and, if applicable, the Joint Terminal Use Contract, allow the Terminal User to use the Terminal, provided however always that separate Special Provisions are executed by both Parties.
- C. The intention of the Parties is that the execution of this Terminal Service Contract alone will not create any right or obligation for the Terminal User to use the Terminal and, thus, the Parties may agree on the Terminal User’s possible right and obligation to use the Terminal separately in respect of each Gas Year by signing Special Provisions, in the form attached hereto as Annex 1, in accordance with the procedure set out in the Terminal Rules.

Therefore, the Parties have agreed as follows.

2. CONTRACT DOCUMENTS

- 2.1 Without prejudice to an Applicant's rights and obligations under the Contract Package, by this Terminal Service Contract, the Terminal Operator does not entitle the Terminal User to use Terminal Capacities, the Terminal User is not obliged to use the Terminal Capacities and neither Party shall have any obligations or responsibilities in relation to use of Terminal Capacities or provision of the Terminal Services unless the Special Provisions and, if the Terminal User is obliged to sign the Joint Terminal Use Contract according to the Terminal Rules, the Joint Terminal Use Contract have been signed by both Parties.
- 2.2 However, for the avoidance of doubt, it is stated that Sections 2 (Contract documents), 4 (Representation and warranties), 5 (Term), 6 (Addresses) and 7 (Miscellaneous) of this Terminal Service Contract, Sections 4 (Force Majeure), 5 (Indemnities and Limitations of Liability), 6 (Termination and Suspension), 7 (Confidentiality), 8 (Sanctions, anti-bribery and corruption and anti-money laundering), 9 (Information security and data protection), 10 (Governing law and dispute resolution) and 11 (Notices) of the General Terms and Conditions as well as the rights and obligations of an Applicant, set out in the Contract Package, shall be binding on the Parties from the signing of this Terminal Service Contract.
- 2.3 The following documents are annexes to this Terminal Service Contract and constitute (together with their annexes) an integral part of this Terminal Service Contract:
- Annex 1: Form of Special Provisions (as in force from time to time);
- Annex 2: General Terms and Conditions (as in force from time to time); and
- Annex 3: Terminal Rules (as in force from time to time).
- 2.4 The Terminal Operator shall publish the versions of the annexes of this Terminal Service Contract, in force from time to time, on its website.
- 2.5 Any reference in the Contract Package to this Terminal Service Contract shall be deemed to refer, in addition to this Terminal Service Contract, also to the annexes of this Terminal Service Contract (as in force from time to time).
- 2.6 By signing this Terminal Service Contract, the Parties undertake to comply with the terms and conditions of the General Terms and Conditions and the Terminal Rules. The Terminal User acknowledges that the Terminal Operator has the right to amend any annexes of this Terminal Service Contract (including, but not limited to, the General Terms and Conditions and the Terminal Rules) and the Joint Terminal Use Contract in accordance with the procedure set out in the Terminal Rules without the consent of the Terminal User. Any references in the Contract Package to the Terminal Rules, the General Terms and Conditions or the Joint Terminal Use Contract shall be deemed to refer to the version of the Terminal Rules, the General Terms and Conditions or the Joint Terminal Use Contract, as applicable, in force from time to time and, when an amended version of an annex of this Terminal Service Contract enters into force, such version shall, without separate

consents or other actions by the Parties, be deemed to automatically have replaced the earlier version of the respective annex of this Terminal Service Contract and be binding on the Parties.

2.7 Except as otherwise expressly provided herein, the capitalized terms used in this Terminal Service Contract shall have the respective meanings set out for them in the Terminal Rules.

3. RIGHTS AND OBLIGATIONS OF THE PARTIES
